BETELHEM KIRUB

FRONT-END DEVELOPER UI/UX DESIGNER

https://github.com/klassno3 | 0966340697 | betelhemkirub@gmail.com | https://betelhemkirub.netlify.app/

I am highly motivated and detail-oriented Front-end developer / UI/UX Designer with a passion for creating exceptional user experiences. Seeking a position in a software development team where I can utilize my design skills and collaborate with cross-functional teams to deliver innovative and visually appealing digital products. I have creative mindset with a keen eye for detail . I am eager to expand my knowledge and skills and I am confident that my enthusiasm and dedication will enable me to excel in this role.

EDUCATION

Bachelor in Software Engineering at Addis Ababa Science and Technology University
Expected Graduation: [2025]

EXPERIENCE

Frontend developer and UI/UX Designer For Blu Lab   Sep 2023- Present
- Collaborated with team to understand and analyze requirement documents and design visually appealing and user-friendly interfaces
- Developed reusable components and modular code to enhance code maintainability and scalability.
- Worked on the student management system, which is the company's specialized domain

PERSONAL PROJECT

Car rental (React Js, Tailwind CSS)   Oct 1 -Oct 7

A car rental website is an online platform that allows users to rent cars for personal or business use. The website provides an interface for searching, comparing, and reserving cars

Literti book tracker (React Js, Tailwind CSS)   Sep 1- Sep 15

I have developed a user-friendly book website that enables users to conveniently manage their reading lists. This platform allows individuals to keep track of the books they have read, set reading challenge as well as the ones they want to read.

SKILLS

- HTML
- CSS, Sass, Tailwind CSS
- Java script , Typescript, React Js
- Git Version Control
- Figma
